"Best Music Supervision" Recognition by The Guild of Music Supervisors

Music Clearance: Costs and clearances of the temp / "reach" songs you and your clients want to use in your campaigns. Covers all variations of publishing, master recording, sample, SAG-AFTRA & AFM re-use licenses.

Music Supervision: Curation and licensing of replacement "style-a-like" music options (that guarantee the ideal impact on your audience) based on a budget and media terms you specify. [Listen here](#) for songs we've sourced and secured for our clients.

Music + Audio Creative Strategy: Managing projects through (and relationships with) all your existing music vendors (as well as access to our network of artist-focused "industry-access-only" music providers). Option to pre-set "preferred vendor rates" for all your social / Internet / Broadcast projects.
